

29th March 2019

Dear resident,

Work is continuing to progress on Hanwood Park, the new housing development in East Kettering, and the coming months will see construction work to the most important access routes.

Cranford Road Closure

On Wednesday 17th April construction work will start on Cranford Road, which will be closed for vehicles and pedestrians at the locations highlighted below for 18 weeks, reopening by the start of September. The road closure is needed to provide drainage works for the whole development and is required as part of the building of the permanent road and utilities to Hayfield Cross Primary School.

Information Event – Tuesday 9th April, 4.30pm – 7.30pm at Barton Hall

Local people are invited to a drop-in information evening, where we will provide information on junction improvements scheduled to take place this year at:

- Cranford Road (road closure – starting on 17th April) – Whitemountain
- Access E (Barton Road / Warkton Lane) – Whitemountain
- Access F (Barton Road / A14 Junction 10) – Whitemountain
- Junction g (Cranford Road / Barton Road – 25th July – 3rd Sept) – Northamptonshire Highways

The event will give residents an opportunity to ask questions about the proposed construction work and find out what is scheduled to happen and when, including detailed pedestrian and vehicle diversion routes.

Should you have any comments or questions regarding Whitemountain's construction work (as detailed above), please contact Whitemountain on kar@breedongroup.com or call 02892501051, Monday to Friday 9am – 5pm. For any Junction g queries please contact Northamptonshire Highways on 01604 883 400. We are aware that there are other roadworks in the area at this time so please visit www.roadworks.org for more up to date information on traffic disruptions.

Following the event, the latest information about the Hanwood Park development, including news and plans will be updated at www.kettering.gov.uk/hanwoodpark

Thank you for your co-operation, and apologies for any inconvenience caused.

Yours Faithfully,

Hanwood Park LLP and partners
