

Cranford WI Report 2022

Following on from the Pandemic and many members feeling uncomfortable in returning to WI we are now going from strength to strength once again. I am delighted to report we currently have approximately 60 members.

Since our AGM in October, we have had many interesting speakers and some 'fun' evenings with our Christmas Party, Chocolate Bingo and a Silent Auction with Fish supper to mention just a few.

We have had a very busy year so far with all WI groups in Northamptonshire being set a challenge of increasing £10 issued from our County Team. We have risen to this challenge by holding numerous events as a group and our members are currently continuing to raise funds independently.

We are looking forward to our annual summer outing in August this year when we will take a picnic to Kilworth House outdoor theatre and see 'Singing in the Rain.'

We are very grateful to the Parish Council and the Village Hall for their support and we look forward to working together over the coming year.
